OUR AFFORDABLE SPAY NEUTER CLINIC HAS BEEN DECLARED... OPEN!

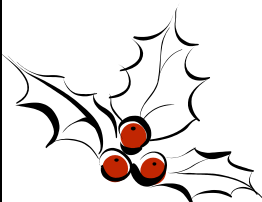

We are still working on some last minute details which could take another 2 weeks but we are optimistic that we will have a "spay day date" before December! It has taken longer than we anticipated but we have always wanted to make sure that we are following the proper protocol in order to pass our inspection which will happen within the next 90 days. Some things are just worth waiting for!!

This has given us the time to make sure we have in place all the equipment and detailed forms so that when we are open we can offer many services besides just spay & neuter. Some of which will be vaccines, micro chipping, nail trimming, dog licenses etc. The community has been very supportive and we are always happy to see you when you visit us. We do have normal hours which are posted in our window at the clinic. These hours are, for now, 8am—12 noon Monday to Thursday and 9am to 12 noon on Friday, Closed on Saturday and Sunday. These may change in the future depending on the day that becomes our spay day which of course will be a longer day. Hours are posted at our clinic just outside the door.

We will plan vaccine clinics whenever possible though our pricing will be low on a normal basis. Qualified rescues will be given priority appointments and special pricing. We will also be assisting with the already low cost of spay and neuter as we obtain grants. We do have a grant now for the people who live in Camp Verde. Please see page 2 of this newsletter for details. We do still need monetary donations which will help with obtaining equipment and gifts in kind like towels, gauze, medical "things."

Our address is 257 Justin Dr., in Cottonwood. For more information please call 928-821-2420 or email fran@morningstarr.org.

Happy Holiday!

WE HAVE A GRANT FROM THE PET FRIENDLY LICENSE PLATES OF ARIZONA!

This grant is for the pet owners of dogs and cats in the town of Camp Verde. Though we do have our low cost spay neuter clinic almost ready to take appointments we do realize that we could not completely assist all the pet owners who are wanting to do the responsible thing for their pet but need some assistance. If we are unable to get you into our clinic in time you can use the vet of your choice (we do not use Tumbleweed). Just fill out an application at the vets office and we will assist you there. For more information pls. call 928-821-2420 or email fran@morningstarr.org

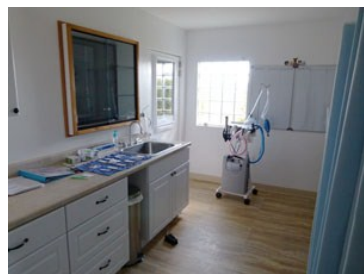

WANTED!!

We are looking for Veterinarians in this area or those willing to travel to work with our clinic. It would be for spay/neuter days and we hope to have some vaccine clinics as well. We will have clinics one day a week or more depending on the Vet. If you know a Veterinarian who would like to work with us please have them contact us. We will pay for the days worked by contract. We would love to work with a Veterinarian with a heart for rescues. The Veterinarian may bring a Vet Tech of their choice who will also be paid and work on a contract.

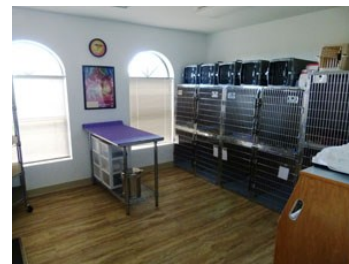

We will also be needing some Vet Techs who are willing to work for a reasonable rate and work with various Veterinarians. Some Veterinarians will be from this area and some who might come from the Phoenix area or who knows. If you are a Vet Tech in this area and are willing to offer your services at a reasonable rate or volunteer then we would love to talk with you. At this time Spay days will probably be once a week.

We are very proud of our new clinic and if you are interested in coming to see our new clinic to see if it is a place that you would like to work, we would love to see you and give you a little tour.

If you are interested in any of these positions please contact Fran @ 928-821-2420 or email fran@morningstarr.org. You may even drop by 257 Justin Dr., Suite A, Cottonwood.

HELP SUPPORT US AND READ WONDERFUL BOOKS WITH YOUR KIDS/GRANDKIDS!

(I enjoyed them too!)

Help support Morning Starr Animal Sanctuary and the new Spay & Neuter Clinic when you buy any of the new series of books for children *Magic Tails*.

Inspired by the various mythologies and shamanic practices of the world, these stories teach children to respect and love the Earth, the wisdom of listening to their dreams, and how to deeply honor the beauty and magic everywhere around them.

The Author and Illustrator of *Magic Tails* Rich Brown, has always had a profound love for animals, and he pours that love into each illustration. The main characters of the stories are animals—especially a cat named Soy . . .

"I think animals deserve more respect and protection in the world. That's one of the reasons I am drawn to mythologies that feature animals as powerful Deities. I love every animal I see, and I want to help them be safe and loved." - Rich Brown

The first 6 chapters of *Magic Tails* are available in print and also in digital format for *Amazon's Kindle Fire* and *Apple's iPad, iPhone* and *iPod Touch*. A portion of the profits from all sales of these books will go to help support Morning Starr.

We are a 501(c)(3) all-volunteer organization. All contributions are tax deductible.

Raise a penny (or more!) for our organization every time you search the web. www.iGive.com/MSAS is the internet's first online search engine and shopping mall where a penny or more per search and a portion of each purchase is donated to your favorite cause. Over 800 of the web's best stores participate in this free program, and up to 26% of each purchase benefits our cause

There is a cool way to raise money, every time you shop online or search the web, and I think you should check it out:
