LET THE "PITTY PARTY" CONTINUE

Morning Starr is proud to announce that we have been approved for a grant through the generous hearts of the **Sedona Community Foundation**. Funds for this program called the "Pitty Party" will allow us to continue to offer FREE spay and neuter for Pitbull and Pitbull mixes for another year! All surgeries will be done at our Affordable Spay Neuter Clinic in Cottonwood. This wonderful program was started last year by Red Rose Inspiration for Animals working in collaboration with Morning Starr Affordable Spay Neuter Clinic. That was the original Pitty Party! This year Morning Starr will continue the program and Red Rose will be responsible for the advertising. This past year we have been able to spay/neuter over 80 Pitbull and Pitbull mixes in the Verde Valley and Sedona area. With each one we are avoiding thousands of unwanted litters who would then produce more and more unwanted litters. The numbers that we are preventing are staggering. *So let's keep going!*

Not only does the altering of this strong breed keep the pet population down but it also helps with behavior problems which is the main reason this breed is surrendered to shelters or abandoned.

If you would like to have your Pitbull or Pitbull mix spayed or neutered please call us to get on the waiting list NOW! Pitbulls can be altered as young as 3 1/2 months old. They are usually on the large size so get them in early!

We are located at 257 Justin Dr., Suite A in Cottonwood. Except for Spay Days, hours are limited so call to make sure we are around but we love visitors!

Our clinic also offers low cost vaccines, nail trims and microchips by appointment. Call 928-821-2420

WE ARE THANKFUL

We are trying to be a part of the solution through our new spay/neuter clinic. As an animal rescue for almost 13 years we also know all aspects of the dog and cat dilemma in our area. It is not easy to see abuse and neglect but the rescue groups in this area, including Morning Starr, have seen this. Thanks to the support of the pet lovers in our community and the Sedona Community Foundation we are able to make a difference in the lives of animals. We are very thankful for ongoing community support and the Sedona Community Foundation so we are able to reduce animal suffering and have the funds to see our dreams through. Thanks again to the

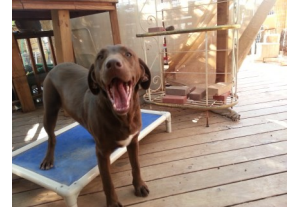

Sedona Community Foundation and YOU!

THESE DOGS NEED LOVING HOMES!

These are just a few of the dogs that need a loving home. They have been living in a house environment and each has their own unique personality. So many different sizes and shapes to choose from. There is Bo jangles the chocolate lab mix, who is a young dog and ready for a family to play with. Bogart is a Lab/hound mix and is good with other female dogs. He is medium size.

Maybe you would be interested in a smaller dog? She has those too! There are also some pure white shepherd's who would like to stay together. This lady has helped with saving these dogs. She knows each one personally and if you can text her at 928-274-3931, she will contact you back as soon as possible. She does not have an answering machine set up so you need to text.
