"HONEY" NEEDS A NEW LOVING HOME

Please help this lovely girl!

Honey is a 1 year old, sweet, affectionate young basenji mix who weighs 48 pounds and yodels! She needs to find a new home ASAP as her foster home has other dogs who don't want Honey around. They are too old and grumpy for this young one. She is up to date with her shots, microchipped and spayed! She gets along great with "nice dogs", and with kitties, although being as young as she is, can play a little rough. She is very good around our horses, and more or less ignores them. Loves all humans including children! Has lots of energy which should be channeled with some training, from which she would benefit greatly. She comes to the spay neuter clinic with me and lies nicely on the floor while I work, no leash needed. She welcomes everyone who comes in with a very nice wag of the tail and a happy body wag. She'll lick your face if you want her to! She is very smart and learns fast! She must find a home by the middle of Sept. Please, if

you have room in your heart and home for this sweet little girl, or are interested in fostering her, or to just plain adopt, please contact FRAN, at

"RIVER" WAITING FOR A NEW LOVING HOME

River is a 14 week old boarder collie mix who is something special and in need of a loving home. He was found on the Navajo Reservation. He has been vet checked, had some one on one training with a trainer for five weeks and is ready for his forever home. He is a very well behaved puppy and he likes kids and other dogs. We are not sure about cats yet. He would make a great companion to another dog who needs a play buddy.

Please contact Carolyn at 928-699-9331 to find out more info on this stellar puppy and maybe come for a visit!!

FOSTER HOMES NEEDED QUICKLY!!

GOLDEN BONE RESCUE needs foster homes desperately. If you can care for puppies and/or older dogs please contact them. Give a dog a chance to live in a home environment before being adopted! It is so rewarding to care for an animal that would otherwise spend its time in a kennel or worse!

Knight Moves "Ike"

This handsome 2-3 year old Tri-color English Coonhound boy waiting in Arizona for his forever home. He is very social with people and gets along with large and small dogs in his foster home. He has a quiet personality and does not bark. Going for walks and riding in the car are his favorite activities. He has excellent manners riding in the car and is working on his leash manners. He is doggie door trained and will sleep in a crate or dog bed all night. This is a wonderfully sweet hound that is eager to learn and is very intelligent. He is not cat or children tested. If you are interested in having this handsome boy be your companion, please fill out an adoption application.
