NEWSLETTER

MORNING STARR NEEDS YOUR DOG/CAT FOOD!

And you can take that to the "food" bank!

Maggie shows off
the barrell!

As we see dogs and cats at our Affordable Spay Neuter Clinic we get a chance to hear the stories about each animal. Stories of rescue that always brings a tear. We are thankful to these people who have saved these animals from some unspeakable situations. But as with life there are good times and there are times of struggle. Sometimes these pet owners acquired their animals during the better times but are now in need.

Pet owners will forgo meals to feed their pets. Some pet owners face the agonizing choice of giving up their pets because they can't feed them. It's all about pet retention. If we can keep that cat or dog at home...it leaves a shelter space open for an animal

that's truly in need and has nowhere else to go.

Golden Bone Pet Products located at 2710 W. SR 89A, in Sedona has allowed Morning Starr Animal Sanctuary to set up a dog/cat food bank barrel in their store. Please drop off any items for dogs and cats into the barrel. We support pet owners who need temporary help in feeding their pets. If you require some assistance or would like to donate some food/treats please contact us at 928-821-2420. We may not always have lots but when we do, *we love to share!*

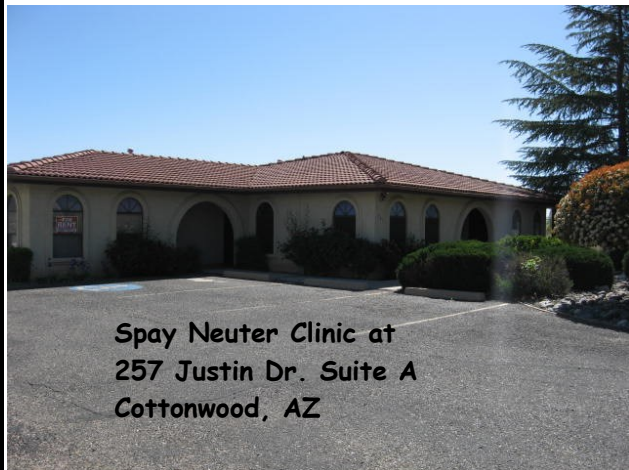

Bandit, The Good Dog

Bandit is a five years old boxer/heeler mix with a sweet under bite. His owner died suddenly October 1 and now he is looking for a new family. He's staying with a friend and her four dogs. His behavior has been exemplary. When on walks, he is respectful and friendly to other dogs. He loves to hike off leash and stays close. He's house broken and in excellent health. Morning Starr gave him his vaccinations, rabies, and microchipped him. We don't know how he is around cats. He doesn't seem prey driven in general. You should come meet him or we could come to you, maybe for a walk together? Please call Carolyn at 928 699-9331.

Thank you for caring!

PITTY PARTY GRANT

Spay Neuter Clinic at
257 Justin Dr. Suite A
Cottonwood, AZ

Many of you know that we have been very fortunate to be able to offer FREE spay/neuters of Pitbulls and Pitbull mixes. We used up all the funds from our grant from Sedona Community Foundation for 2013-2014 grant. We have applied for another grant to continue this much needed service to the pet community.

Even though we ran out of funds from the grant from last year Red Rose Inspirations for animals has graciously supplied funds for a few

of our Pitbulls. Thank you Red Rose! We are happy to announce that we have been given another grant for 2014-2015. This means that we can continue on with our mission of bringing down the pet population with emphasis on the Pitbulls. We also decided to expand our service and include with each spay/neuter of Pitbulls a free rabies vaccine! This will make sure that when the Pitbulls leave our care they ready to be a healthy part of the pet community in the Verde Valley and Sedona areas. Since the new grant we have spayed 14 female dogs and neutered 13 male dogs. 14 of those were Pitbulls & Pitt mixes which were done FREE of charge plus a free Rabies vaccine. We have also spayed some cats too, 2 female and 7 male. The clinic is again closed for October and November but will start up again on a more regular schedule in December. Call now to get your cat or dog on our waiting list. There is usually about a 3 month wait so please get on while the dogs/cats are still very young. We do try to get high risk situations in a.s.a.p. Remember that bigger dogs can be altered as young as 3 months and kittens as young as 12 -14 weeks. We do not do feral cats at this time.

Red Rooster Cafe	The Haunted Group	Harold Ridenour	Blaz'n M Ranch
Jenny Baker	Boo & Maggie	American Coonhound Rescue	Daisy Mae Search & Rescue

And of course we thank all our volunteers who worked so hard on this event!

ANOTHER ACT OF KINDNESS.... FOR SWEET VATO

Summer came to the clinic with her sweet, beloved, 6 year old and rescued Jack Russell who had 2 masses. A local vet stated these needed to be removed immediately and the cost would be \$600. Summer is on disability, dialysis, in a wheelchair and was devastated that she could not afford this life saving surgery for her soul mate, Vato. We just knew we had to help.

At our Morning Starr Clinic Dr. Dave Burnett did Vato's surgery for free. Dr. Lana Holcomb generously donated discounted lab tests on the excised tumors. The diagnosis is cancer but we feel we got it all, This cancer may return in other spots, needing immediate excision again to save his life.

We are asking for donations to cover the cost of supplies and pathology. We would also love to help him in the future with our Act of Kindness fund. These acts have been possible because of our loyal donors. Please help, write "act of kindness" on your donation so we can continue helping those in need. **THANK YOU!**
