an all-volunteer 501(c)(3) organization

2015  
NEWSLETTER

*Another year is upon us and we can't wait to get started!*

A busy year behind us and now we are ready to begin to make a difference again! With our Pitbull Grant from Sedona Community Foundation to once again spay/neuter the Pit-bull and Pitt mixes for FREE! We love the Pitts! We also added a FREE rabies shot with the spay/neuter!

*AND*, we are also ready to go with more ACT OF KINDNESS funds, thanks to our golf tournament, sponsored by DeTar Construction, and YOU to help pet owners in need of surgery or just a free visit to see the vet.

*AND*, we also have placed a FOOD BANK barrel in Golden Bone Pet Products Store in Sedona to collect dog and cat food, treats and anything related to dogs and cats really. We have given away hundreds of pounds of food for temporary help when needed.

We are always finding new ways to assist the animal community! All of this could not be accomplished without our faithful donors like YOU!

Thank you for a fabulous 2014 and we look forward with wonderful anticipation of how we can support the animal community in 2015!

I'm only 52 pounds!

## Bandit, The Good Dog

still looking for that loving home!

Bandit The Good Dog, a 5 year old heeler/terrier mix, is looking for a new home. In late October, his owner died and Bandit was no longer able to stay where he had lived for 4 years. Since then, he has lived with me and my four dogs to help him get acclimated. It's been a good experience for all because we've discovered that Bandit likes to play with the other dogs, walks nicely on a leash, and likes learning new things. He's a wonderful hiker - stays close and comes when called, and loves to ride in the car (and he doesn't bark!). If you'd like to visit Bandit, maybe take him for a walk, call Carolyn at 928 699-9331. And thank you!

## ANOTHER ACT OF KINDNESS!!

A very Merry Act of Kindness

KARMA

Just before Christmas... For Vicky and her elderly dog Karma, we were able to give another act of kindness. Vicky is on a very limited budget, having just lost her job. Sadly, her sweet dog had an infected cancerous growth on her foot.. Morning Starr volunteer staff and Dr. David Burnet DVM performed a surgery on Karma involving a partial amputation of the dog's foot at no cost to Vicky. The Holiday Season was brighter for a special Lady and her beloved dog. We are again, asking for your support to help cover our cost of \$500 for supplies and medication so we can continue to do our Acts of Kindness for those in need. Just write ACT OF KINDNESS on your donation check!
