MORNING STARR SAYS "STAY COOL"

Its nice to take the dogs along on a ride but sometimes it is better to leave them at home in the AC. We live in AZ and it is just a hard fact that the doggies sometimes should stay home. I love to take my pets with me but I make sure it is to places where they can go into the store with me. They should never be left in the car during these hot days! Here are some things that you can do to make it a safe ride with your pets. Some of my dogs are black and they get hot real fast. I have bought them what's called Thermal Jackets! These are jackets that you wet and put them on. They keep them cool but you have to remember to re-water them again depending how long you are out in the sun. Also think about their paws! Even just a walk from the car into a cool store can burn their feet! Call Golden Bone Pet Products in Sedona and they can set you up with jackets and booties for the summer. Call 928-567-5515 or go in and experience the nice "cool" store at 2710 W. Hwy 89A in Sedona. While you are there you can bring in some dog or cat food for the Morning Starr dog/cat food bank barrel that is in the store. Many dogs and cats need food and their pet owners are needing a little assistance to get them through a tuff time. Morning Starr accepts open bags, but please tape them closed. Barrels are emptied on Saturdays. **STAY COOL**, my friend!

THANKS FOR HELPING WITH THE SHOE DRIVE!

I never knew there were so many different styles of *shoes*! It was very much appreciated that the Verde Valley Humane Society, Michelle Lloyd of Sedona Paint, dog trainer Joanna Malone, Golden Bone Pet Products and many other Morning Starr supporters helped so much with collecting. I was out collecting as many as possible but could not have done it without all the extra help. Morning Starr collected 1,175 pairs of shoes. In the end we raised \$437 which was used to continue our spay/neuter programs.

SUMMER TIME!!

It's not the lazy days of summer for us! Morning Starr has been very busy! Many of you already know that our wonderful Volunteer Veterinarian, Dr. Dave Burnett likes to go east for the summer. This by no means mean that our clinic is closed. I am there on Monday to Thursday at 8 in the morning but leaving time does vary during the summer months depending on if I need to run errands. We are still doing Microchipping and clipping the dogs nails by appointment. As for the spay/neuter we are sending people who have been on our waiting list or high risk situations to some local vets in the area. Morning Starr is still spay/neutering Pitbulls and Pitt mixes for FREE including Rabies. Please call and get on the waiting list as we are setting up another spay day at our clinic on July 14th. We have four more Pitbull mixes booked for that day in July under Operation Pitt, that will make a total of 45 Pitts done for FREE. And that is without a grant! That is thanks to donors like YOU! So please give to Morning Starr so we may continue to help pet owners.

Please get on our waiting list in case we manage another date in August. Morning Starr has also been assisting with pet emergencies using Danza Del Sol and Montezuma Veterinarian Services. We have assisted other rescues with spay neuter funds to help them get their dogs ready for their new foster homes then for adoption. This helps the rescues but it does deplete our own funds. So please help us so we can continue to help others.

We are thankful that we have been able to continue to help with spay/neuter for FREE and also with emergency vet assistance, which pays for the initial exam. We have also been collecting dog/cat food to assist with pet owners who are struggling. No dog or cat should go hungry! All of this has been possible only through the wonderful support of our donors who are animal lovers like you! Grant funds have been used up long ago. But.....

Summer time is also a time for Grant requests. I have submitted 2 Grants so far. One is to continue the Operation Pitt for the Pitbulls and the other is for spay/neuter for any breed but the pet owners must live in Cottonwood. This way we will become mostly a FREE clinic! Wouldn't that be nice! Keeping our paws crossed!

Get ready for September when the new county licenses will be coming out. The county has updated their system and it will get dogs back into their homes faster! These will be available at the clinic as soon as they are issued. *Back to regular spay day schedule in September!*

FOURTH ANNUAL GOLF TOURNAMENT SCHEDULED

"Who Let The Dogs Out?"

Our Fourth Annual Golf Tournament is scheduled for November 7th at Verde Santa Fe Golf Club. We are proud to welcome back our Main Event Sponsor Joel DeTar Construction! We are starting early to collect donation items for our silent auction and also for business owners to sponsor this event! For as little as \$25 you can get your business name on a golf cart, for \$50 your business name on a hole! \$250 gets your business name on promotional material and signs on 3 holes! \$500 gets your business name on promotional material, one twosome with business name on your golf cart, or \$1,500 pays for all the above plus one foursome and signs on all 18 holes! All signs will have your business logo in beautiful color and say what you like! Maybe you just want to golf! Single player \$75/foursome \$300. It's always a fun day with lots of prizes! These funds be raising funds for Spay/Neuter and Veterinarian Assistance programs!

This is our only big event for the year! Our last three tournaments were used to raise funds for equipment that was very expensive like our autoclave for sterilizing and in the first years for many other surgical equipment. This year since we have all our clinic equipment we will be putting all funds towards spay neuter and veterinarian assistance so all funds will go back into the community to keep our pets healthy and happy!

VERDY VALLEY MANNER, YOU ROCK!!

Thanks to Regan Stone, we had a silent auction going on to raise funds for Morning Starr Spay Neuter Clinic! Regan organized it and ran the event all on her own! Thanks to the residence of the Verde Valley Manner on E. Goddard St. in Cottonwood we raised \$50! Every dollar counts when your on a mission to spay/neuter as many dogs and cats and low or no cost! Regan has informed us she is planning other events at the Manner and the residents are excited to get involved in making a difference lives of animals in their community!
