"OPERATION" PITT

**The
Big
Fix**

Introducing our new "OPERATION" PITT! Our mission has always been to get the pet overpopulation down. Pitbulls being the most vulnerable breed in our shelters with 3,000 Pitbull and Pitbull mixes being killed every day. Our ongoing mission is to offer low cost to no cost spay/neuter for all breeds but we know that the Pitbulls need extra help. We spay/neuter Pitbulls because we love them. We

are committed to stopping the unwanted litters and the outrageous killing of the breed and use for fighting. Until this is brought to a stop we must continue our mission to stop the population from growing. These large breed dogs can have as many as 11-14 puppies in each litter. Our last grant from Sedona Community Foundation was used to spay/neuter 55 Pitbull and Pitbull mixes. 26 males and 29 females. 6 were in heat and 1 was in early pregnancy. They were also given rabies vaccines as needed. Our grant funds were completely used up. Since one female dog and her offspring, in 6 years, can produce 67,000 puppies the good news is that we have prevented thousands of unwanted puppies. Morning Starr has continued to spay/neuter the Pitbull and Pitbull mixes that are on our waiting list. We will to continue to spay/neuter the Pitbulls for Free including rabies as part of our new mission. Under "OPERATION" Pitt, Morning Starr has already spay/neuter 20 Pitbulls. 8 males and 12 females one which was in early pregnancy. We still have Pitbulls on our waiting list for free spay/neuter.

We are raising funds for "OPERATION" Pitt and to continue to offer low cost pricing for all breeds through wonderful donors like you. We thank Michelle Lloyd with Sedona Paint for raising funds from the "Art for Sedona's Sake Arts & Crafts Show" in Sedona in April. We would also like to thank Michelle, the Verde Valley Humane Society, Golden Bone Pet Products and many of our supporters for helping us collect shoes during our shoe drive in March/April. We have submitted our request for a new grant for "OPERATION" Pitt . We are keeping our paws crossed! If you would like to donate funds for "OPERATION" Pitt or our low cost clinic please write that on your check or online donation.

In order to keep things running in a full time professional manner it takes a full time job. Please know that we are using a separate fund for paying this salary and no donations designated to specific places will be used. When someone donates to the spay neuter clinic, act of kindness, spay neuter or animal supplies you can be sure that the funds will be used for that purpose only.
