NEWSLETTER
SPRING

A FAREWELL TO A DEAR FRIEND

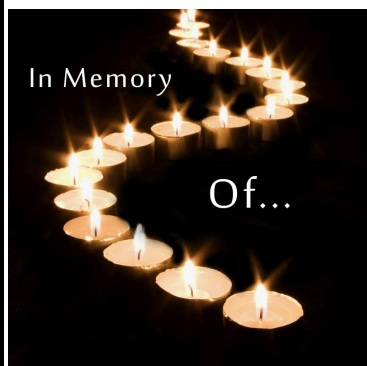

Fran & Nadia

This edition of our newsletter is dedicated to and in memory of our dear friend Nadia Caillou of Golden Bone Rescue and Rehab. She passed away on February 5 and is dearly missed. Nadia was first and foremost a friend of Morning Starr and mine for over 18 years. Always giving, always caring about the animals and the community. It is a great loss for many but we are thankful that her beautiful, loving spirit will live on for many years.

While it is a difficult thing to lose someone we love we are blessed to be left with a legacy of a life well lived to be celebrated with a spirit so generous and kind and cannot be taken because Nadia has left these treasures with us always.

Off to the rainbow bridge to be reunited with the many precious animals lives that went before her..... All in perfect peace now.

Nadia Caillou

ACT OF KINDNESS FUND EMERGENCY MEDICAL UPDATE

From July through the end of December, 2018 we were able to assist 24 pet owners with this fund. There have been various emergency situations such as badly infected teeth, an impaction, a uterine infection, injured limbs and euthanasia costs, to name a few. The fund expenditures for 2018 were \$5,122.22, an average of \$1,000 per month.

To date, in 2019, we have helped 8 dogs and cats with various emergencies such as kidney stones, broken leg, eye infection and euthanasia where the situation was too far gone. Expenditures to date are \$2,471.02, an average of \$850 per month. And we're just getting started!

This fund was set up to help pet owners who find themselves in temporary financial crisis at a time their pet requires medical treatment or medications. It is because of your generous donations that we are able to continue. Thus far, we have received \$1,175 towards this fund. No donation is too small and Morning Starr thanks all those who have kindly donated.

Morning Starr works with local Veterinarians in the Verde Valley and Sedona area. When pet owners are faced with only half the burden of cost, it is easier for us to help them make better decisions about their pets (depending on the situation, we may pay more). The costs can be substantial and that's why we are so grateful for your ongoing donations toward this worthwhile program.

You can read more about this on our website at www.morningstarr.org and click on the Assistance for Pets tab at the top. Or you can contact us at Tel: 928-821-2420.

HEALTHY PET PROJECT SPAY/NEUTER ASSISTANCE

From November 2018 through February 2019 we have assisted with 34 spays and neuters. The expenditures to date are \$3,099.14. In most situations, we have "split" the cost for these procedures. Due to some circumstances of the pet owners we have provided more assistance. In some cases, vaccines were included in the funds paid out.

Your donations have allowed us to continue this very important work with our local Veterinarians. This program has enabled us to "bridge the gap" for spay/neuter costs for dogs and cats and ease the financial burden of the pet owners.

Each situation will be assessed on a case by case basis. Pet owners may choose the Veterinarian of their choice however funds will be limited to a "reasonable" portion of the cost as some Vet offices are more costly than others.

For more information about this program, please visit our website at www.morningstarr.org. Donations are always appreciated and can easily be made on our website. Help us continue into the new year and beyond...no donation is too small!
